

IndEx in coordination with Duncan Supply has created a national bulk refrigerant purchase program

The program objective is to create a price competitive, refrigerant bulk purchase opportunity for members, including free delivery/freight to **your** location in the lower 48 contiguous states.

An independent wholesaler, owned and operated by the Duncan family since inception over 90 years ago, Duncan seeks to earn your trust as a valued part of your refrigerant supply chain in coordination with the IndEx buying Group.

INDEX / NSC Benefits

-  Free Shipping
-  Competitive Pricing
-  Dedicated NSC Support Team
-  Exclusive Refrigerant Technical Training
